

Looking For a Day Service?

Struggling With Funding For Adult Day Care...

Excell
for Training Ltd

In Partnership With

Chesterfield Community Care Farm
OPPORTUNITIES FOR ALL

We are running an exciting programme that will allow service users to access our day service for up to 30 days **FREE** of charge.

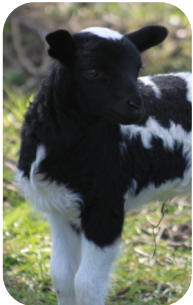

This opportunity is available to anyone aged 19 and above that is unemployed and in receipt of state benefits.*

During this period service users will develop a range of land based and animal care skills by working with a variety of livestock we have on the farm including: cattle, pigs, sheep, goats, rabbits, chickens, ducks, reptiles plus many more!

General support is included, but service users are welcome to bring along their own support if they wish to do so.

As part of the programme service users will be enrolled onto the L1 Award in Land Based Studies. Service users will also be enrolled onto *functional skills maths & English*.

Travel can be reimbursed up to £15 a week and food will be Provided.

This fantastic opportunity will not have an impact on any benefit claims and is a great chance to come and mix with peers, have lots of fun and gain accredited qualifications, ALL for FREE.
